JUDGE VIOLA

MINUTE ENTRY

The Court has received a document titled Rule 65 Motion Temporary Injunction Without Notice filed April 12, 2022. It appears that the Motion was filed without any corresponding complaint. The Motion indicates that it is a “Request For Emergency Injunction to Quash Unconstitutional Justice Court Injunction For Harassment.”

Upon review, the Motion asks the Court to quash an injunction against harassment issued by a lower court. The Arizona Rules of Civil Procedure do not contemplate the relief requested in the manner presented by Plaintiff. To the extent the Plaintiff seeks to appeal the injunction against harassment, Plaintiff may wish to review the Arizona Rules of Protective Order Procedure and the Superior Court Rules of Appellate Procedure – Civil.

IT IS ORDERED denying Rule 65 Motion Temporary Injunction Without Notice filed April 12, 2022. No further action will be taken.
